Dear Gary:

The Selectboard for the Town of Duxbury voted at its April 9<sup>th</sup> meeting to deny your request for the 2007 Green Mountain Stage Race on Duxbury's Rte 100. This decision was based upon the uncertainty of the Rte 100 paving project as well as the concern with safety of the event.

We hope the event is a success in all other local areas.

Sincerely,

JoAnn Berno
