New business:

Gloria was elected to the Board of the Vermont Cemetery Commission at the semi-annual meeting last fall. This will help the DCC be better informed of and involved with State policies and programs.

Thank you Gloria and congratulations on your appointment.

Gloria will renew our membership in the VCC and sign us up to attend the Spring meeting.

Shane Grace, whose bid was selected for the cemetery maintenance position was to attend this meeting but instead called Wayne and declined the job. We are sorry to lose him after years of good service to the DCC.

Erin will call the next applicant with the lowest bid.
