

## Duxbury Planning Commission

### Meeting Minutes

February 9, 2012

Members present: Erica Campbell, Trevor Cole, Brian Fitzgerald, Garrett MacCurtain, Rick Scharf

The meeting was called to order at 6:42 p.m. by Brian Fitzgerald

**Minutes:** On motion by Garrett/Erica, the minutes of the January 12, 2012 meeting were approved as written.

#### Issue Updates:

- No developments on the state farm Act 250 case.
- Erica reported on the U.S. 2/Vermont 100 traffic study. There was a public meeting last month and recommendations are expected from the consultant at an upcoming meeting. Likely recommendations are a three-way stop to be implemented immediately, with a roundabout or stop light as a long term solution. The safety of the offset drive from Juniper's Fare and the other businesses in the commercial park has been identified as an important issue.
- FEMA and the Town of Waterbury are hosting a Waterbury Community Recovery Fair on Thursday, February 16 from 6:30-8:30 p.m. at the Thatcher Brook Primary School gym. Attendees will have an opportunity to "vote" for the projects they like the best.

**Town Plan:** Following discussion, members agreed to a revised schedule for completion of the town plan revision. The goal is to have a plan ready for a vote at town meeting in 2013. The deadline for a complete draft is the August planning commission meeting, so we can begin the public process by October. Rick went over the work he has done to complete his sections, this being his last meeting as a member of the commission.

**Vacancy:** Recruitment for Rick's replacement continues. Everyone thanked Rick once again for his service on the commission.

**Next Meeting:** March 8, 2012 at 6:30 p.m. in the town garage meeting room.

The meeting adjourned at 7:23 p.m.
