### Meeting Minutes July 10, 2014

Members present: Erica Campbell, Trevor Cole, Kim Greenwood, Brian T. Fitzgerald

The meeting was called to order at 6:40 p.m. by Brian Fitzgerald.

**Minutes:** On motion by Trevor/Kim, the minutes of the June 12, 2014 meeting were approved as written.

**Town Plan:** The commission reviewed comments received from the Central Vermont Regional Planning Commission staff and agreed to make several changes to the draft plan. Brian will incorporate those changes and forward the final plan and report to the selectboard. His goal is to complete this task by the end of July. In addition, he will meet with Ken Scott and get information on new dwellings that is needed to update the plan maps. Brian asked if further review of the draft plan by commission members is needed before it is forwarded to the selectboard. All agreed that further review is unnecessary.

Brian noted that he is briefing the selectboard at its July 14 meeting to give the board an update on the plan and the process from this point forward.

**Other Business:** There were no other business items considered.

**Next Meeting:** August 14, 2014 at 6:30 p.m. in the town garage meeting room.

The meeting adjourned at 7:54 p.m.
